Fifth Grade News

Mrs. Semon and Mrs. Hanrahan

DATES TO REMEMBER:

- May 16 – Talent Show 1:30
- May 17- Field Day 1:00 Dismissal – No extended care
Kindergarten through 8th grade will be dismissing at 1:00 pm. Extended Care will not be available. Additionally, the Café is closed on Field Day. All students will need to bring a lunch and drink from home.
- May 24 – Last Day 1:00 Dismissal – No extended care

WE ARE LEARNING:

RELIGION: We will explore Ch. 22, *Jesus Sends the Apostles*, next week. Students will take a quiz over Ch. 21-22 on Tuesday, May 14th.

MATH: We are continuing to work on pre-algebra with expressions containing one and two variables. We will also work on graphing points on a coordinate plane. We will have our last DMR quiz on Friday, May 10th. We will continue time tests until May 17th. IXL lessons V1 and V2 are due on Monday, May 6th.

LANGUAGE ARTS- We had a few more narrative writings to share this week and completed some spring writing prompts. We started discussing the topic of plagiarism, the various types, and how to avoid it when writing. We will start back up with Simple Solutions next week.

SCIENCE – Students will continue working on our final science research project for the school year. Be sure to ask your child which animal he/she selected to research and where in the world they will have to go to observe this animal in its habitat.

SOCIAL STUDIES – Students wrapped up American Revolution projects this week and we shared these in class. We will focus on Unit 6 next week and start discussing the question of

how to govern our new nation. Reminder: There is only ONE date left to take the states and capitals test: Thursday, May 9.

READING – 5th grade will continue to read *Bridge to Terabithia*. We will discuss alternate titles, context of passage, drawing inferences, identifying the lesson of the text, establishing what will most likely happen next, foreshadowing, and character feelings. There will be a quiz on Tuesday, May 14 over *Bridge to Terabithia*.

REMINDERS:

Students are only permitted to bring water to school! There have been a few incidents in fifth grade recently and we'd like to send a reminder. Thank you.

All library books are due by Friday, May 3rd. Students will not be able to check books out after this day but are strongly encouraged to continue turning in any lost/overdue items.

All non-uniform passes expire at the end of this school year. New non-uniform passes will be issued next school year. Students can use up all their passes for the remainder of this school year (except on Wednesdays). Please remember: Non-uniform passes are used for jeans/sweatpants and top. Please remember, pajamas are not approved attire for non-uniform passes. Students may only wear pajamas to school on designated pajama days or with a special pajama day pass.
