What A Week

What an awesome week it has been. We have had fun at the beach! We did some swimming and playing in the sand. Relaxing under our beach umbrellas in beach chairs. We made sharks and fish. Explored and counted seashells.

The best part of the week was Wednesday when our mom's joined us for our celebration!

Next week is our last week....I cannot believe how fast the year has gone. Our last week will be busy with Bike Day, music, and Field Day. Pay close attention to the directions for these days.
